One of the documents was too large to attach to email so I pasted all three on to the I drive at: I:\30 Day Share\Paula Schmittdiel VB I-70

Please let me know if you need anything else. Thank you!

Hi Paula,

I cannot locate an exact match to the documents you requested. I narrowed down the search to OU2 and "Remedial" and "Feasibility" (separate searches) and PDFed some indices for you to look at.

I also attached an index of all the VB/I-70 documents dated between 01/01/2010 and 12/31/2010.

Please let me know if you would like to see any of the documents or if you need anything else. Thank you!
